(b) what is the remedial action contemplated by Government?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR AND EMPLOYMENT (SHRI MUNI LALL): (a) and (b) Due to increase in wages, some employees may have become ineligible to get the bonus. However, no information regarding their number is centrally maintained because the coverage under the Payment of Bonus Act, 1965 is very vast and the Act is mainly administered by the State Governments. The Government is seized of the demand made by the Central Trade Union Organizations for removal of the eligibility limit and calculation ceiling for the purpose of payment of bonus.
